Vision

Statement
Vision Statement

St Mark’s Coptic Orthodox College is a school that works in partnership with parents to create an atmosphere where Christian values and Coptic Orthodox tradition are the foundation of the school’s practices and where students and staff feel secure and supported by all members of the school community.

The distinctive, sincere and continuous practice of Christian love, service and humility provides students with the opportunity to develop and display a high moral standard.

Our students are challenged to strive to achieve excellence and success in all areas of the curriculum by attaining their full potential, having confidence in who they are as Christian individuals and becoming active participants in Church and the Australian community.
Belief
Statements
We Believe that St Mark's College is a learning community where...

Students...

📖 Experience God
...by engaging in Coptic culture, prayer, liturgy, rites and fasting
...through interactions within the College community
